The Afruika Bantu Saturday School
Young Achievers Pledge

"I am a young achiever, for all the world to see,
With the positive gifts of knowledge I receive from my educators,
Be they my parents, teachers or even a child like me.

I will constantly be moving forward,
Creating and defining the very best that I can be.

My responsibility is not to those who choose not to believe in who I am or who I will go on to be…

Their negativity will fall on deaf ears because I am busy achieving my masterplan fulfilling destiny."

"My future, My World is in my hands."
