
ABSS CLASSROOM BEHAVIOUR

Remember the classroom is a place for you to learn new things, reinforce what you know as well as share what you know with your teacher and other students.

1.You must enter and leave the classroom in an orderly and quiet manner at all times.

2. You must organise yourself quietly to start work as well as during work in your lessons at all times.

3. You must ensure that you come to school with the required equipment to support you within your lessons

3. You must listen quietly when teachers are giving instructions in and outside of the classroom

4. You must follow instructions given at all times from teachers or other staff members within ABSS

5. You must raise your hand to ask for help or answer questions during lessons or in assembly

6. You must tidy up the classroom after each lesson before leaving the classroom

7. You must ensure that you take homework set away with you at the end of the lesson and return it completed on the date set

8. If you have any problems then please speak to your teacher or another staff member within the school.
